BIG BENEFITS WHEN BANKING WITH OUR *local bank*

Our bank was launched in 2004, by the First National Bank of Ballinger, founded in 1886. We're known for SBA lending, mortgage and construction loans. But mostly we are known for making our customers feel at home.

SERVING LOCAL, HOMETOWN FOLKS SINCE 1886!

We know our customers, and they know us.
We are excited about people, not accounts.

MISSION STATEMENT

The Home Builders Association of San Angelo (HBASA) is a 501(C) 6 non-profit professional trade organization comprised of builders and associate members who subscribe to the highest business and ethical practices and who are committed to fostering an environment conducive to help the growth of businesses within the industry. We believe in the American dream of home ownership and are dedicated to making this dream a reality.

GOALS

Support the building industry's effort to enhance growth and the quality of life in San Angelo and the surrounding areas.

- Promote housing affordability while ensuring safe and sound building practices.
- Represent the building industry as a unified voice in the political process.
- Be the prime source of consumer information on housing and education for the membership and the community.

CODE OF ETHICS

To achieve these goals, we pledge allegiance to the following principles and policies:

- Members shall constantly seek to provide better value so that an even greater share of people may enjoy the benefits of home ownership.
- Members shall strive to develop efficiency in the home building industry to the end that labor may receive its just and proper reward.
- Members shall at all times contribute their knowledge in home building to the best of those they serve.
- Members shall not knowingly enter into contract the terms of which are designed to imperil the rights of either labor or the suppliers of material to receive a fair return for service or goods furnished.
- Members shall not obtain any business by means of fraudulent statements or by use of implication unwarranted by fact or reasonable probability.
- Members shall comply both in spirit and letter with rules and regulations prescribed by law and government agencies for the health, safety and progress of the community.
- Members shall be alert to examine proposed or enacted state and local legislation detrimental to social, economic and political progress.
- Members shall not perform, or cause to be performed, any act which would tend to reflect on or bring into disrepute any part of the home building industry.

MEMBERSHIP 2026

3 IN 1 MEMBERSHIP

When you join the HBA, you automatically become a part of the Texas Association of Builders (TAB) and the National Association of Home Builders (NAHB). You have the backing of not only your 290 local members, but over 140,000 state and national professional members fighting for our industry. It is not just who you know, it's who others know that can make a difference in your business.

ADVOCACY

The HBA of San Angelo is the advocate for the housing industry in the Concho Valley. As the voice of the building industry, the HBA is deeply involved with the City of San Angelo and local building officials. We work hand in hand with local governments and other organizations to ensure that the homebuilding process is predictable, reasonable, and affordable. We also work closely with our state and national associations.

SAVINGS

Membership in the HBASA can pay for itself through a variety of discount and rebate programs available through TAB and NAHB. As a member, you receive a Member Information Center Page that gives you an increased web presence, a place to show off your work, and a place for potential customers to request bids. You are also featured in our yearly buyer's guide and online business directory. The HBA's advocacy efforts with state and federal regulatory agencies have provided our members with thousands of dollars in either reduced costs or increased revenue. Need legal advice? Help is just a phone call away. As a member, you receive all this and more!

PROMOTION

Members immediately get access to our resources, networking opportunities, discounts, educational programs, marketing events, and community service projects. Partnering with the HBA is one of the most effective marketing strategies your company can use. No other organization can help you promote your brand, build relationships, develop business leads and increase sales better than we can! The HBA can provide exposure and networking opportunities to help you build relationships within the industry. Our members take their pledge to "do business with a member" seriously and that means more opportunity, more collaboration, and more referrals for your business!
