EDUCATION THAT WORKS

- 60 Years of Placing Texans
- Statewide Public Technical College System
- Industry-driven, High-demand Programs
- 40+ Programs Statewide
- 180+ AAS & Certs

TSTC'S CHARGE

“Occupationally-oriented programs with supporting academic course work, emphasizing highly specialized advanced and emerging technical and vocational areas for certificates or associate degrees.”

TSTC IS INNOVATIVE IN TEXAS

With over 7,500 industry partnerships within the state, graduates can expect to find meaningful employment.

As the workforce college of Texas, TSTC provides technical training in high demand fields.

As the only higher education institution that is 100% outcomes-based funded, the state holds TSTC accountable for job placement and wages. TSTC does not get paid unless our students get well-paying jobs.

**65% OF TEXAS JOBS NEED
TECHNICAL TRAINING OR
CERTIFICATION.**

**ECONOMIC
DEVELOPMENT**

TSTC - WORKFORCE TRAINING ARM OF TEXAS

- Our tailored training provides your employees with technical skills and knowledge they need to keep your business growing.
- To deliver value-added training that maximizes a workforce's technical skill and knowledge, increase the competitive advantages of businesses and provides Texas employers with a highly skilled workforce.

OUR STAFF & TRAINERS

- Substantial industry experience.
- Regularly acquire new technical knowledge for curriculum integration.
- Provide hands-on training - 70% of the curriculum is hands-on lab work.
- Assist in customizing a training plan that suits specific company goals.

IT'S OUR PROMISE.

GET A JOB OFFER OR GET A REFUND.

TSTC TEN-YEAR GAINS

- Starting Wages up 26%
- Found Working up 20%
- Cohort Earnings up 51%

**PLACING MORE TEXANS
IN GREAT-PAYING JOBS**

PROPOSITION 1

TEXAS STATE TECHNICAL COLLEGE

WHY

To help train people with the skills they need to get great-paying jobs and strengthen the Texas economy.

HOW

By putting money in a special fund that will help TSTC pay for buildings, equipment, and training programs.

Will not cost taxpayers ANY additional money.

WHAT

Texas State Technical College will expand high-demand career training programs, such as:

Automotive

Construction

Electrical Lineworker

Plumbing

Welding

and more...

? NEXT STEPS

Texas voters must approve this plan before it can start. It's a question called **Proposition 1 on the ballot for the November 4, 2025**, election.

A "Yes" vote means you support setting aside state money to create this permanent fund for technical training.

A "No" vote means you do not want the state to create this fund.

INDUSTRY RELATIONS

We exist to serve as a CONNECTOR between college stakeholders and the industries we support.

Represent the TSTC Enterprise

- Promote the college's brand and capabilities to new and existing industry stakeholders, helping to ensure a broadening awareness of TSTC's impact and offerings.

Build and Expand Relationships

- Engage with industry partners to form connections. When opportunities arise, we coordinate smooth transitions to the appropriate departments for follow-up and implementation.

Supporting Internal Success

- Collaborate with departments across the college to align industry relationships with their internal goals, helping to increase efficiency and drive meaningful outcomes.
